

**Subject:** A New Chapter at Takapuna Dentists – Here for Your Dental Care Needs

Dear Valued Patient,

I am thrilled to introduce myself as the **Principal Dentist of Takapuna Dentists (Incorporating Lake Road Dental Centre)**. Lake Road Dental Centre and Takapuna Dentists are now one entity under this name, bringing together the best of both practices to serve you even better. My name is Sony, and I am a dedicated dentist with a passion for providing exceptional dental care. It's an exciting time as we embark on this new journey together.

As part of this transition, there are a few important updates I'd like to share:

- **Dr. Omar Abed-Ali**, the previous owner of Takapuna Dentists, has moved on to pursue further studies. We wish him all the best in his future endeavours.
- **Dr. Phil Slack**, the former owner of Lake Road Dental Centre, continues to be an integral part of our team, ensuring continuity and high-quality care for all our patients.
- The clinical and administrative teams from both clinics have merged, creating a unified and strengthened team ready to serve you better.
- All your patient records and data are safe, secure, and have been retained. You can be assured of seamless access to your dental history and continuity of care.

We're excited to offer you an extended range of services, from routine check-ups and general dentistry to advanced procedures such as Invisalign orthodontic correction, dental implants, and cosmetic makeovers and injectables. My team and I are passionate about helping you achieve optimal oral health and a beautiful smile.

Our goal is to provide comprehensive care tailored to your needs:

- [Flexible appointment times to suit your schedule.](#)
